

CGI Artist

Bournemouth, UK / Full time

REDWHITE CA is currently seeking a talented Senior 3D Visualiser to join a leading dedicated Architectural Visualisation Studios, based in North London.

This is a great opportunity for a Mid-Senior who is looking to take that next step in their career and create beautiful high-end imagery while working alongside eight other talented visualisers in a lively office environment.

Candidates must have:

- Excellent 3dsmax / V-Ray skills (modelling, shading, texturing, rendering)
- Having an architectural portfolio
- A great eye for detail
- A basic knowledge of Photoshop
- The ability to work within a small team
- Any experience with Maya, Modo, Zbrush, Mari, Nuke or any knowledge of animation and Post-production skills would be advantageous

If you have 2+ years experience as a General CGI Artist, particularly photo-realistic such as architectural buildings or products and good modelling, texturing, lighting skills and you are looking for a great opportunity to expand your skills and experience then this is the job for you.

To apply for the position, please send your CV and a letter telling us about you, your experience and why you're the perfect fit for us to:
